The Multimedia Library puts

A Professional Team

A team of librarians welcomes students, Ph.D. candidates and faculty members from Telecom Business School and Telecom SudParis.

The Multimedia Library is open to the public under certain conditions (see subscription contracts).

Specialized Resources

- In **Telecommunications**: technologies, actors...
- In **Sciences**: information technology, mathematics, electronics...
- In **Economics, Management...**
- In foreign **language** learning and improvement.

Cultural Resources

Novels, detective stories, comics, guides...

A Web Site

- A catalog accessible from the Internet,
- Resources accessible from the campus workstations, but also off campus, anywhere and at any time.

Specific Services

For faculty members and Ph.D. students from Telecom Business School and Telecom SudParis.

Service of Information Search

On request, the librarian team carries out personalized document research.

Loans between Libraries (PEB)

This service makes it possible to obtain a document (book or photocopy of an article) which is not available at the Multimedia Library, but can be found in another library.

e-resources

Academic Journals

- **IEEE Xplore**: unabridged text of the IEEE and IEE publications (journals, conference proceedings, standards...).
- **Science Direct**: unabridged text of scientific and technical journals published by Elsevier Science and Academic Press.
- **Business Source Complete**: unabridged text of academic journals in economics, management, marketing, finance...

e-books

- **DawsonEra**
- **Ebook collection Ebsco**

Press and News

- **Europresse** : Over 3 500 titles from french and international press.
- **Factiva**: portal of the French and international press (French daily newspapers, professional and financial press).

- **Xerfi**: over 500 market studies, 10 000 company profiles on the French and European markets. Download only.

In the Heart of the Networks

ARC'ENTEL: The Mines Telecom Institute documentary network, Telecom family.

SUDOC: Network grouping together French University and other higher education institutions' libraries.

ACIEGE: Documentation network of the Association of the managers of business schools information centers.

BSF: Libraries without borders.

STAR: National repository for electronic doctoral theses.

Book Loans

According to your status, your library card enables you to borrow several documents from the Multimedia Library.

Conditions for a Loan

Students, interns:

- 5 course books for up to 3 weeks,
- 5 general reading books for up to 3 weeks,
- 5 language methods for up to 12 weeks.

Faculty, Ph.D. students:

- 15 research books + 2 CD-ROM for up to 6 weeks,
- 5 general reading books for up to 3 weeks.

Loan Rules

The loans can be extended on line as the documents are not reserved by somebody else. Any unrespected return deadline leads to penalties:

- suspension of borrowing privileges until your situation is straightened out,
- suspension of borrowing privileges equal to the number of days late.

Any lost, stolen or seriously damaged document shall be replaced by the same document or an equivalent.

The Resources

The Means Available

- Twelve computers dedicated to the electronic resources consultation: ARC'ENTEL catalog, electronic magazines (Business Source Complete, IEEE Xplore, Science Direct...).
- A Wi-Fi access allowing the use of the high-speed Internet from laptops.
