MÉDIATHÈQUE

# WELCOME TO THE MEDIA LIBRARY

With an area of 360 m<sup>2</sup>, the media library offers innovative, functional and pleasant spaces to facilitate exchanges, enrichment, learning and creativity.

The media library provides students and researchers with multidisciplinary collections in paper and digital format along four major lines: engineering sciences, management sciences (management, marketing, finance, etc.), language learning and literature.

## MANY SERVICES

### Reader account

When you arrive on campus, you will be given your student or professional card, which is also your library reader card. You may borrow books, magazines, language methods, comics, tablets or even board games.

### Need a specific document ?

- interlibrary loan request
- article requests via the online form
- suggestion d'ouvrages

### The digital library

#### On-campus or remote access

Thousands of electronic documents are also accessible via our website: articles, e-books, market studies, etc. You will also find all our practical information: timetables, tutorials, online catalog, newsletter...

### Training workshops upon request

- HAL
- Zotero and bibliography writing
- Documentary research
- Copyrights and plagiarism awareness

## FOR RESEARCH

### Scientific publications

The library manages the HAL collections of TSP and IMT-BS and offers assistance workshops to researchers.

### Theses

Electronic legal deposit with metadata description. Available on <https://www.theses.fr>
